### DOC BACON'S CRIME

That of Which He Is Accused Is At-  
tempted Criminal Assault.

In the Times-Dispatch yesterday Doc Bacon was spoken of as the Mecklenburg murderer. As a matter of fact the crime with which the negro is charged is attempted criminal assault.

Andrew Finch, his alleged accomplice, did not declare Bacon guilty on the grounds, but merely a confederate of the crime. He firmly believes that Providence intervened.

### KEAN FOR MARTIN

He is Likely to Win in Hereford Re-  
publican Stronghold.

ROCKY MOUNT, VA., Sept. 5.—In the primary recently held in this county Dr. E. B. Kean, a widely-known and popular physician, was nominated for the State Senate from the district composed of Franklin and Floyd. This district is a Republican majority in the primary, but it is believed the Democratic under the new registration is Democratic and that Dr. Kean will be elected. Kean is an avowed friend and supporter of Senator Martin.

The call for a Republican convention was issued two weeks ago and representatives of this party will meet here on Monday next, court day, to nominate candidates for Senate and House and for county officers.

The primary system had given great dissatisfaction in this county. It is estimated that fully three hundred voters in the county, they held the balance of power and it is reasonable and fair to suppose that they will not be nominated. The following are slated for the Republican nomination next Monday: George O. Young, chairman of the Republican County Committee; House of Delegates, John P. Dudley, who was elected in 1907, from this county and served in the House last session; County Treasurer, Wm. Henry Hodges; Sheriff, N. C. Carrell. It is thought candidates for minor offices will not be nominated, but that independent candidates will run, who will receive the united support of Republicans.

John W. Woods, judge of the Circuit Court of the city of Roanoke, and president of the First National Bank of Roanoke, is spending a week at our pleasant resort hotel, Rocky Mount.

The sheriff of this county sent out to Mr. C. M. to have the supposed murderer of Webster, Richard Gibson (colored), identified. The son of the dead man, who went out to identify him, wired back that he was the wrong man.

The Republicans boast that they will carry this county on the bill issue and we do not believe it possible.

### JEFFERSON MEMORIAL

Mr. R. C. Kasey Selected to Receive Subscriptions.

Mr. R. C. Kasey, clerk of the Register of the Land Office, has been selected by the Thomas Jefferson Memorial Association as its Virginia representative to receive subscriptions for that memorial. The association gives each subscriber a certificate of membership and a bronze medallion with an excellent effigy of the sage of Monticello, for each one dollar subscription. A silver medallion is given with each certificate to subscribers to the amount of \$5.00. Mr. Kasey is a well-known and public speaker in this State and he is also proposed to have a Jefferson day at the St. Louis Exposition, and if it can be arranged to have Jefferson day and Virginia day fixed for the same date. With that purpose of agreeing on a date Mr. Kasey, the secretary, came to this city recently, and met with the Virginia commissioners to St. Louis, but owing to the absence of the Governor no action was taken at that time. The matter will be considered at a meeting to be held here on the 22d.

The appropriateness of a Jefferson day at the St. Louis Exposition is a subject which is being discussed in the Louisiana purchase, one of the greatest achievements of Jefferson's prescient statesmanship. For it was he who negotiated the purchase of the Louisiana territory, now the heart of this country. At the exposition a large model of the proposed memorial will be shown, and there will be a large exhibit of Jefferson relics. Besides, exercises are appropriate to the occasion will be arranged.

Virginians are expected to contribute to the movement to honor one of the distinguished sons of the State. The location of the memorial is in Washington, overlooking the hills of Virginia.

### OFF FOR NEW YORK

Richmond Party Booked With O. D. for Next Friday.

Quite a number of Richmond people have been booked with the Old Dominion Steamship Company for New York on next Friday, Sept. 11th. The party will board the elegant new steamer "Monroe" of the Old Dominion Line at Norfolk. The Monroe is not only one of the largest, but one of the fastest steamers doing the coastwise business. She would make many ocean liners look shabby.

Mr. George M. Wyatt, of the Richmond office of the company, who has had so much experience in coastwise excursions, will accompany the Virginia delegation upon their raid on New York.

Dr. Moseley at Home.

Dr. E. J. Moseley has returned from his vacation, and will resume his practice.

### WON BOTH HAM AND WEEKLY MEDAL

Anderson Had His Shooting Clothes on—Shooters Go to Lynchburg.

Just a baker's dozen of enthusiasts faced the traps on the East End grounds yesterday and spent a pleasant evening, smashing mud pellets. In addition to the regular shoot for the weekly medal and the Hunter Arms Company medal, there were three merchandise prizes, left out of the regular programme of the East End tournament, and placed in the event yesterday, on a handicap basis.

First prize, a Smithfield ham, was tied for by J. Anderson and V. Hecker on a perfect score, with handicaps added. In the shoot off, Anderson won out with 23 to his credit.

Second prize, box cigars, tied for by Mr. Johnson and W. McLelland. McLelland winning out in the shoot off with 22 to his credit.

Third prize, a fine silver watch, was won by Robinson and Filippin, the latter remarking as he stepped to the score he would win out or shoot the end off his gun trying. He made his word good by breaking 24 out of 25, a remarkably fine score.

Anderson was high gun, with 68 out of 75, one of the best amateur scores made on these grounds this season, winning the weekly medal.

Mr. V. Hecker won the Hunter Arms Company medal. He seems to have a cinch on it, as he has won it three times during the season.

East End will send a strong delegation to Lynchburg to contest for the five-man team trophy (owned by the Virginia Trap Shooters' Association). The team will be composed of the following shooters: Anderson, Hillman, Brown, Martin and McLelland. They have promised to make a second showing.

The delegation, leaving over the Chesapeake and Ohio this morning, will be some 200-odd shooters. They will be joined at the depot by the following shooters: Robinson, Agassiz and T. P. Stearnes.
